CONTRIBUTIONS TO JASSA

The Editorial Board of JASSA welcomes articles on matters of interest to the financial services industry. Subject areas considered suitable for JASSA include security analysis, portfolio management, corporate finance, valuation techniques, securities industry regulation, accounting standards, foreign exchange, derivative instruments, financial advising, corporate governance, risk management and boutique financial services issues.

Opinions and comment presented as Letters to the Editor are welcome. Correspondence in connection with JASSA should be addressed to: The Editor JASSA, Finsia, PO Box H99, Australia Square, Sydney NSW 1215.

JASSA has a wide and varied readership throughout the financial services industry, the broader business community and institutions engaged in related academic studies.

The Editorial Board favours articles written in a freely readable style, rather than formal scholarly work or highly technical papers. Authors should acknowledge this by avoiding footnotes and appendices where possible.

Before submitting articles, intending contributors should contact:

Articles will be submitted to a double-blind review process and may be returned to authors with suggestions for revision. Articles accepted for publication will be edited, at least lightly, for style, clarity and length.

The Editor will consult authors as closely as possible about changes. However, the submission of articles will be taken as acknowledgement that editing is likely.

All original articles published in JASSA will automatically be considered for the award of the annual JASSA Prize.

Subscription inquiries should be sent by email to JASSAsubscriptions@finsia.com.
